1
Class, today, you will be doing a documentary about friends. And how friends can connect with each other and how they get along.
2
Excuse me. ma'am. How is making a documentary have to do with friends?
Good question, Draculaura. It needs to have 3 group of friends, and it takes place at your house, or any other places. Oh, and I forgot to mention that tomorrow, you guys need to have your documentary done in time for the presentation. Class dismissed!
DING! DING!
3
Ooh! I cannot believe we're making a documentary about Best Friends!
Yes, and once we're finished with our documentary, we need to get it ready for the presentation tomorrow.
4
Who's going to be directing the documentary?
My magic camera will. It can fly and it can record us.
OK, girls. Where can we make our documentary at?
I'm thinking at my house.
That is a brilliant idea, Draculaura! My family did a documentary at their house before. So why not do it at our house?
Then let's go!

1
OK, girls. We need to be on our task so we can share it to our classmates, understood?
You got it!
Aye-aye, director Draculaura!
2
Thank you. Now, Magic Camera, do your stuff?
Lights! Camera! Action!
3
Whaaaaaaaa....
I forgot to tell you, it can fly and talk too, and it has wings. Anyways, let's get started.
4
Hi, guys. I'm Clawdeen Lucia Wolf. And these are my friends, Franklyn Shelly Stein, but just likes to be called Frankie, and Draculaura.

Before we begin how we became friends, we have some questions for you! Have you ever met a friend who is nice to you? Well, you may think that, but for us, it's about friendship.
5
Hi, girls. What are you doing?
We're just, um making a video, I mean, documentary, about being friends.
Yeah, that's what we're doing!
6
Well, how exciting. Can't wait to see it!
Phew! I thought he was going to bust us from making a video.
He's checking to see what we're doing. And we check on each other to see what we are doing.
OK, Magic Camera. You may continue.
7
REC
Like I was saying before, if you had a friend to be nice to, how would you know? Well, in this documentary, we are going to show you how we became best friends. Follow us!

AFTER 30 MINS OF MAKING A DOCUMENTARY...
What is it? Is it me doing science?
Great job, girls. Now we're almost done. We just need something for a big ending.
Playing basketball?
2
No! We need to find out where we build our home.
Oh. I get it. Is it like the clubhouse we made together?
3
Yes, Clawdeen! That's exactly what we need! Now, let's go!
4
Thanks for your help, Magic Camera! We'll meet again soon!
No problem. Now, good luck with the presentation tomorrow!

1
Wow! This is where we built, when we were kids.
Draculaura does have a point about this.
Now all we need to do is take a great picture!
2
Wait! I didn't bring my camera!
Don't worry, Draculaura. I got my camera.
3
Best Friends Forever!
4
Thanks for your help, Magic Camera! We'll meet again soon!
No problem. Now, good luck with the presentation tomorrow!
THE NEXT DAY, AT MONSTER HIGH SCHOOL AUDITORIUM...

Oh my stars! Clawdeen, I just watched a video that shows you and your friends are making friends! And your teacher told me that you made it a perfect ending!
That was the best video I have ever seen yet.
Thanks Mom and Dad. We couldn't have done it without the help of Draculaura's Magic Camera.
3
Wow, your camera can fly? And talk?
Yes. It can only talk when we begin or end.
It can also teleport.
4
Hey, big sis! You were a star on this show. Congratulations!
Thank you so much, big bro.
5
6
Guys. How about we play our board game?
That's a great idea!
Can we play with you, too?
Of course. Everyone is welcome in the Wolf house.
7
And so, Clawdeen and her friends did an excellent job on their documentary. And remember: the moral of the story is how you met each other and how you get along.

The end!
Bye-bye!
